Senate Bill No. 147.

Assembly Bill No. 120.

Introduced by Senator Stratton in Senate, and Mr. Wright in Assembly.

AN ACT

TO PROVIDE ADDITIONAL SUPPORT AND MAINTENANCE, AND FOR THE ACQUISITION OF NECESSARY PROPERTY AND IMPROVEMENTS, FOR THE UNIVERSITY OF CALIFORNIA, BY THE LEVY OF A RATE OF TAXATION, AND THE CREATION OF A FUND THEREFOR.

The People of the State of California, represented in Senate and Assembly, do enact as follows:

SECTION 1. In addition to all other sources and means of support, maintenance, advantage, and improvement of the University of California, there is hereby levied, annually, for each fiscal year, an "ad valorem" tax of one cent upon each one hundred dollars of value of the taxable property of the State, which tax shall be collected by the several officers charged with the collection of state taxes, in the same manner and at the same time as other state taxes are collected, upon all or any class of property, which tax is for the use and support of the University of California.

SEC. 2. The State Board of Equalization, at the time when it annually determines the rate of state taxes to be collected, must at the same time declare the levy of said rate of one cent, and notify the Auditor and Board of Supervisors of each county thereof.

SEC. 3. The money collected from said rate, after deducting the proportionate share of expenses of collecting the same to which other state taxes are subject, must be paid into the state treasury, and be by the State Treasurer converted into the "State University Fund."

SEC. 4. The money paid into the said "State University Fund" is hereby appropriated, without reference to fiscal years, for the use and support of the University of California, and is exempted

from the provisions of part three, title one, article eighteen, of an Act entitled "An Act to establish a Political Code," approved March twelfth, eighteen hundred and seventy-two, relating to the Board of Examiners. When there is any money in said fund, the same may be drawn out upon the order of the Board of Regents of the University of California, or such officers of the board as may be duly authorized thereto. Upon the receipt of the order, the Controller must draw his warrant upon the State Treasurer, payable to the order of the treasurer of the University of California, out of said "State University Fund," and said treasurer must pay the same.

SEC. 5. The money derived from said fund must be applied only to the uses and purposes of the University of California, and the Board of Regents must include in its biennial report to the Governor a statement of the manner and for what purposes the money was expended; *provided*, that not less than one half of the revenues raised hereunder, during the first ten fiscal years after this Act takes effect, shall be devoted solely to the purposes of acquiring lands, buildings, and permanent improvements for the university.

SEC. 6. This Act shall take effect immediately.
